## Why we're different

**1. We come to your school:** We offer all students, regardless of background or prior experience, specialist instrument lessons right on school grounds. That means less travel time for busy families.

**2. We're affordable:** Our lessons are around half the price of private tuition. We also supply all the instruments during class, taking the burden off having to buy one right away.

**3. Learning is fun:** The customised curriculum is set in a fun environment, focusing on music reading, playing, arranging and performing to help build skills and self-esteem - with lots of fun competitions and awards throughout the term.

**4. Glowing reviews:** The award winning Music Bus program has received positive feedback from the Dept of Ed and NSW Creative Arts Department - not to mention from countless parents and Principals in your community.

## Benefits of Music Education

Numerous studies have suggested that studying music stimulates parts of the brain that are linked to maths and cognitive abilities, which may give your child an advantage in the classroom.

Learning an instrument can be a great way of enhancing kids' social skills. Learning in a group can help encourage youngsters to interact with their peers by working towards common goals and listening to each other!

Research has shown that listening to and playing music can stimulate brain development and improve memory which will increase their learning abilities.
